

LUNCH

Dear Guests with Allergies,
We care tremendously about your safety. Our from-scratch kitchen includes an active bakery with nuts, wheat, and dairy products used in a wide range of recipes. We strongly recommend that individuals with severe allergies who are susceptible to cross-contact do not dine in the restaurant as we cannot guarantee your safety. For less severe allergies, allow our servers to recommend a dish that does not contain your allergen(s). Consuming raw or undercooked meats, poultry, seafood, shellfish or eggs may increase your risk of foodborne illness, especially with individuals with certain medical conditions.
